## ROSE BRUT

“JOIE DE VIVRE”

It is a dream of pastel colours and sweets. The Rose Brut cuvée is a celebration on the palate, where dragonflies and butterflies flutter to the tune of a magical flute. From flower to fruit, fruit to flower, they whirl, drawing out the perfume of springtime. A BB imprint is soft and light, like the joyful caress of pink gossamer robe that rounds the body. This is the BB signature: gentle, soft and light. In French we call it “LA JOIE DE VIVRE”.
